

# All-school team selection

WATER polo player, Grace Jennings made a splash in Sydney this month to secure selection in the Open All-School Water Polo Team.

The 17-year-old Chatham High School student represented the area on March 9 and 10 in the Combined High Schools team which played against Catholic Combined Schools and Combined Individual Schools.

Her selection as Centre Forward will see her compete in the Open All-School Water Polo Team in a Brisbane tournament during August.
