**2013 Hunter New England Health
School Based Trainee Program**

Hello

Please find enclosed the application package for the 2013 Hunter New England Health School Based Trainee Program.

This program provides young people with valuable paid work experience in their local public hospital while completing the Certificate 3, Health Services Assistance. This is part of the HSC, Human Services Framework and contributes to the ATAR. The Certificate 3 can be used as a pathway into the Diploma of Nursing (Enrolled Nursing) or the Undergraduate Degree at University (Registered Nursing). It also enables young people to work as Assistants in Nursing when they successfully complete.

All applicants will be required to submit an Expression of Interest letter detailing how they meet the essential criteria which is listed on page 5 of the package. Applicants should also attach a recent CV with two referees, one of which must be a current school teacher.

Please note that the application closing date for first round offers has been brought forward to **September 9th, 2013**

Applications should be emailed to HNESBTApplications@hnehealth.nsw.gov.au or mailed to:
