Tips for our students

“Nay” sayers will always be around you... people who can make you feel like you are not good enough. Stay confident within yourself that you can do whatever your heart desires.

Surround yourself with positive people & don't be afraid to stand out in a crowd.

We all deserve good things to happen to us, sometimes we have to branch out and reach for it.

Memories from Chatham High School

My favourite subjects, teachers, friends and memories at school:

- Mrs Edwards was an awesome Ancient History teacher and had such great stories to tell about her own travelling experiences.
- Mrs Fotheringham massaged my foot once in P.E theory because my foot fell asleep and I fell over in the middle of class. That was pretty funny.
- My all time favourite teacher was Mr Wilson. He encouraged me with learning new skills and was very supportive in Retail Studies.
- In year 7 Emma Styles and I dressed up in Balinese outfits for Mr Fields Lote class for Multicultural Day. We displayed the outfits in front of the whole school in the MPC.
- Most memorable friend I made was Jane Fazio. She annoyed me into liking her and became my best friend and still is such a great friend of mine. Along with Stacey Ping (Stacey Bron), Ila Buckley, and especially Kristy Clarke (Red) and Raelee Booth.
