

The Times online

THIS week the Manning River Times had the pleasure of attending Chatham High's swimming carnival at the Manning Aquatic Leisure Centre. Our gallery of photos features (above) Dylan Webber, Brunwyn Tisdell, Blake Taylor and Lukis Tisdell and many other students enjoying the day. Yesterday morning Times photographer, Carl Muxlow was up early to capture daybreak on the Taree foreshore. The foreshore upgrade will be officially opened on February 28. Carl's gallery also appears on our web page.
